Registration Payment Process

PAYMENT: The registration camp fee is \$30 per child for one week only at the Fort Valley State University Family & Children Center from 9am to 2pm. The Registration form with a \$30 payment guarantees your child's placement for this location only. Your child is not considered registered until the Registration Form is received and the registration fee is paid in full which must be paid in full before the week of the camp start date June 15, 2024 at 9am.

REGISTRATION: To register, complete the Registration Form and make your electronic payment to **iDream Educational Services, Incorporated**. No registration forms will be accepted without proof of payment. Only a complete online registration form and payment, makes your child eligible for camp placement. You can register online NOW!!!

DONATIONS: iDream Educational Services, Inc. is a nonprofit organization with a 501C3 exemption status. Tax deductible. Your organization or business can also donate or sponsor a child for the summer.

REFUND POLICY: No refund will be issued after a child has attended camp for the first day; no partial refunds will be given for any missed days of the camp. Full refunds for cancellations less than 24 hours before the summer camp begins and all notifications have been made prior to the start date (week one) July 17, 2023. No refunds will be given for cancellations after Monday, July 17, 2023, after the camp's start date. No exceptions!

WAIVER: In consideration for allowing me to participate in this summer camp hosted by iDream Educational Services, Inc., I (and my parent(s) or my legal guardian, if under the age of 18), hereby waive and release iDream Educational Services, Inc., or any persons from any and all claims or damages arising out of my participation in this STEM summer camp. (If under 18, parent(s) or legal guardian must sign below)

Kids iDream STEM Summer Camp 2024 blends technology learning with fun summer camp activities to create a well-rounded summer camp experience. Our annual summer camp will be held for one week only this summer with different topics. Each camper will have a T-shirt along with a STEM toolkit. The camp will have instructors who will teach daily (Monday-Friday) with hands on knowledge. The students will learn how to use the block coding approach and engineer techniques with specific actions. Our professional staff, knowledgeable instructors, and volunteers have a fun-filled curriculum for eager and energetic students who are excited about learning and participating in engaging activities.

The camp will consist of Block Coding and I.D.E. (Integrated Development Environment) Cybersecurity, GeoSciences, Engineering, Artificial Intelligence, Agriculture, and Virtual & Augmented Reality. The contact person for the registration is Dr. Shawna Early. The contact information is (478) 335-1344. The office email address is idreamtechnologies828@gmail.com regarding questions for this process. Registration time is now open for all students to enroll from ages 8-16 (boys and girls). All toolkits and camp shirts are included for each camp.
