**iDream STEM Summer Camp, CGTC Warner Robins GA on July 17-21 2023 from 9am to 2pm**

**(cost is \$199 per child)**

**Kids iDream Summer Camp 2023** blends technology learning with fun summer camp activities to create a well-rounded summer camp experience. Our annual summer camp will be held for one week only this summer with different topics. Each camper will have a T-shirt along with a toolkit. The camp will have instructors who will teach daily (Monday-Friday) with hands on knowledge. The students will learn how to use the block coding approach and engineer techniques with specific actions. Our professional staff, knowledgeable instructors, and volunteers have a fun-filled curriculum for eager and energetic students who are excited about learning and participating in engaging activities.

The camp will consist of **Block Coding** and I.D.E. (**Integrated Development Environment**) **Cybersecurity, Geosciences, Engineering, Artificial Intelligence, and Virtual & Augmented Reality**. The contact person for the registration is Dr. Shawna Early. The contact information is (478) 335-1344 or (478) 953-8216. The office email address is [idreamtechnologies828@gmail.com](mailto:idreamtechnologies828@gmail.com) regarding questions for this process. Registration time is now open for all students to enroll from ages 8-16 (boys and girls). All toolkits and camp shirts are included for each camp.
